

# Platform matrix for Oracle Agile EDM integrations

## Mechanic CAD applications

| Integration for                                 |           | Microsoft Windows (x64) | Oracle Agile EDM |
|---|-----------|-------------------------|------------------|
| Product   | Version   | 10                      | 6.1.3-6.2.1      |
| Autodesk AutoCAD<br>Autodesk AutoCAD Mechanical | 2018-2023 | X                       | X                |
| Autodesk Inventor                               | 2018-2023 | X                       | X                |
| Dassault Systèmes Catia V5                      | 2015-2021 | X                       | X                |
| Dassault Systèmes SOLIDWORKS                    | 2018-2022 | X                       | X                |
| PTC Creo Parametric                             | 4.0-9.0   | X                       | X                |
| PTC Creo Elements/Direct Drafting               | 18-20     | X                       | X                |
| Siemens NX                                      | 12        | X                       | X                |
|   | 1847      | X                       | X                |
|   | 1872      | X                       | X                |
|   | 1899      | X                       | X                |
|   | 1926      | X                       | X                |
|   | 1953      | X                       | X                |
|   | 1980      | X                       | X                |
|   | 2007      | X                       | X                |
|   | 2206      | X                       | X                |
| Siemens Solid Edge                              | ST10      | X                       | X                |
|   | 2019-2022 | X                       | X                |
